Will Use The Old Box

The massive steel frame for the new Sonoma county court house at the county seat has been completed. The last rivets were driven home on Wednesday night and the last bar placed in position.

The same stone used as the head of the corner in the court house that went down in the earthquake disaster of April 18, 1906, will be used in the new structure. The same will be redressed, but the contents of the box that is now embedded in it will remain intact, except that the box will be removed for the purpose of putting in some new articles. Some of these present at the laying of the corner stone of the old court house, say that the zinc box placed in the stone was not more than half filled and that it will hold all the things to be placed therein on April 1.

Spring is here in almost this month. Plant pretty nearly everything and get the ground ready for later plantings of the more tender plants. Plant everything in hardy annuals and perennials. Get the roses in their permanent positions. All deciduous shrubs, trees and vines should be planted at once. Border plants, heliotropes, verbenas and, in warmer sections, carnations, should be bedded now. If your carnations are more than two years old, replace with young plants. Transplant pansies, put in gladiolus bulbs, tuberose, callas, anemones, ranunculus, iris, etc. If you didn't plant enough sweet peas earlier, get busy quickly. They will give a nice lot of late blooms if planted now. Around the borders and in the neglected places sow a lot of California poppy seed. They look better than weeds. Try and make it look as if nature had her better mood were smiling on us.

Clean up the lawn. Fill in the dead spots with a bit of healthy turf, cut out of the margins or a handful of seed scattered and cared for for a time. The lawn is the finest ornament, next to great forest trees, about the home—don't neglect it. The bare patch at the back door might be made into greensward at this time of the year.—Cultivator.

Miss Gaige Married

Miss Emma Gaige, daughter of Mr. and Mrs. A. E. Gaige, of Glen Ellen, was married in Lima, Peru, on Monday last at the United States Consulate, in that city, to Mr. William Vernon Griffith, of Geyserville, in this county.

Miss Gaige sailed on the steamer "Itauri" from San Francisco on Feb. 15, for Lima, there to meet and wed the man of her choice.

Bride and groom were schoolmates at the Santa Rosa high school and later at the University of California where the latter graduated as a mining engineer. Mr. Griffith has a fine position with a large mining company at La Fundicion, Peru, where the happy couple will reside.

The many friends of Mr. and Mrs. Griffith in this county and elsewhere, extend hearty congratulations and wish them a long life of unalloyed happiness.

A Narrow Escape

Many people have a narrow escape from pneumonia and consumption as a result of a cold that hangs on. Foley's Honey and Tar cures coughs and colds no matter how deep seated and prevents pneumonia and consumption. Refuse substitutes. L. S. Simmons.

A Life at Stake

Your life may be at stake when you notice any sign of kidney or bladder trouble as Bright's disease and diabetes start with a slight irregularity that could be quickly cured by Foley's Kidney Remedy. Commence taking it at the first sign of danger. L. S. Simmons.

NOT SOON BUT NOW

Buy a lot in the Loustalet's subdivision to City of Sonoma, within a block of the plaza, on main business street. These lots are most convenient business and residence lots in Sonoma.

As a sure and safe investment there's nothing equal to gilt edge real estate—in a growing city.

As a profitable investment nothing equals real estate in Loustalet's subdivision, for these lots are gilt edge and Sonoma is a growing city.

Make a list of the rich men of the State and you'll find the bulk of their fortunes were made in real property—they bought when property was low and sold when it was high.

They were far-sighted—they were careful to buy in locations where trade would naturally go and thus force advance in prices—they bought where public improvements were about to be made, or where the demand for high-class residence property caused a rise in values.

The time to buy is now—to-day—while prices are low—at the price made by the original seller.

Don't wait to buy from those who'll buy to-day—make that profit yourself.

Cash or installment—no interest—no taxes. Investigate now before the lots are all sold. Call or address, THE EXPOSITOR, Sonoma, Cal.

A Farewell Party

The cozy new home of Mr. J. Masciorini, located near Petaluma, was the scene of a party last Sunday who gathered for the purpose of bidding farewell to Miss Lillian Masciorini, who will soon begin her trip to the Philippine Islands, and will probably locate there as trained nurse. The party later went to Petaluma and spent part of the evening there.

\$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address: F. J. CHENEY & Co. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

High School Dedication

The board of trustees of the Sonoma Valley Union High School has arranged for a formal dedication and inspection of the new school building in the near future. An interesting program has been prepared for the event. There will be addresses by DeWitt Montgomery, county superintendent of schools, and Rev. E. B. Payne of Glen Ellen, and a number of pleasing musical and literary features by the students.

The public is invited to attend the exercises which will begin at 3 o'clock. They are also invited to inspect the fine new building and to make any suggestions for improvements to the board that they may think wise. Let everybody show the proper public spirit by being present at the dedication of our handsome new school building.

Fierce Forest Fire

A fierce and destructive forest fire started in the hills of Napa Co., last Saturday afternoon and raged furiously for two days and nights. The flames spread rapidly and soon reached into the hills north of Sonoma. Immense damage variously estimated at from \$1,000,000 to \$1,500,000, was done to ranch property and the redwood pine forests in the two counties.

The origin of the fire was supposed to be from a party burning brush in Browns Valley, Napa Co., the flames getting beyond control in the strong north wind which was blowing at the time. So far as we have been able to ascertain, those who suffered serious loss from the fire in this county are, Dr. Getchell, Warren Hunt and the Goldstein ranch on Mt. Pisgah.

Family Reunion

Mrs. J. A. Poppe, the pioneer lady merchant of Sonoma, spent a very happy day at her home in this city, Wednesday last. Her children and grandchildren gathered at the family home in honor of her birthday and a most enjoyable day was spent. The sons and daughters present were: Robert A. Poppe, Chas. J. Poppe, of Glen Ellen, Julius E. Poppe, Mrs. J. B. Small and Mrs. Katherine Buchan. A delicious spread was a feature of the day's pleasures.

A number of old friends of pioneer days were invited to join in the enjoyments of the occasion. Grandma Poppe is enjoying excellent health and all joined in extending her hearty congratulations and wishing her many more happy recurrences of her birthday anniversary.

Case is Dismissed

The charge against Mr. and Mrs. Joseph F. McDonough of El Verano, was dismissed by Judge Atchinson Wednesday, when the case came up for hearing. They were accused by George Diebold with making threats against his life. The nearest Diebold could come to showing threats had been made was a statement warning him that if he did a certain thing McDonough would bring an action against him.

Girls' Basket Ball

The Girls' Basket Ball team of the Sonoma high school, will play a match game of basket ball with the Vallejo high school in Union Hall, tomorrow, Saturday, evening, Mar. 28. A lively game is promised. Don't fail to go; more real entertainment is a good game of basket ball than in any 25 cent show you ever attended. Admission 25 cents.

E. L. McGarrity Dead

E. L. McGarrity, a well known man about El Verano and Sonoma, was found dead in his bed in El Verano last Sunday morning. Mr. McGarrity has been in ill health for several months and his death was not altogether unexpected. Heart failure was the immediate cause of death. Deceased was a native of Leesville, Va., where his parents still reside. He was 45 years of age at the time of his demise. The funeral took place Tuesday, Rev. Rowe, of the M. E. Church, officiating. Interment was in Mountain Cemetery.

Sonoma Boys Win

A good crowd of spectators witnessed the game of basket ball Saturday evening, in Union Hall, between the Napa high school boys and the Sonoma team. The game was well played and intensely interesting throughout. The local boys clearly outplayed the visiting team from start to finish and showed decided improvement in their work.

A basket ball game furnishes excellent entertainment and those who failed to attend missed a pleasant evening's entertainment. The score was 24 to 26 in favor of the home team.

An unfortunate accident occurred during the second half of the game when Mr. Eby, of Napa, slipped and fell, spraining his ankle. Liniment and bandages were procured and he was made as comfortable as possible. It will probably be some time before the young man will be able to play again as this is the second time within a year that he has sprained the same ankle.

The line-up of the players was as follows:—For Sonoma, Forwards: Logan, captain, and Trowbridge; guards, Otto Dresel and Ray Poppe; center, J. Dresel.

The players in the Napa team were arranged as follows:—Forwards: Leonard and Butler; guards, Boyd and Eby; centers, Wilson and Scribner.

Three Men Hurt

Mr. Bianchini came down from Glen Ellen Wednesday to have Dr. Thomson set a broken collar bone sustained in a fall of several feet from a building on which he was working.

Peter Carpus fell from a fractious horse on the Meins place near Shellville, Tuesday, and broke his right arm at the wrist. A physician set the fracture and he is now gradually improving.

An Italian laborer on the Gundlach, Bundschu place east of town, is suffering from a broken leg. The unfortunate man was taken to Green's Sanitarium where he will be laid up for some time.

Funeral of J. E. McIntosh

The funeral of J. E. McIntosh took place Tuesday afternoon at Santa Rosa, from the residence of his son, Deputy Sheriff McIntosh. The services were held at the house and the interment was in Sebastopol. Rev. Peter Colvin officiated. Deceased was 84 years of age.

He is survived by nine children, seven sons and two daughters. The sons are John O. McIntosh, Deputy Sheriff Donald McIntosh, James McIntosh, Richard McIntosh, Wm. McIntosh, Benjamin McIntosh. The daughters are Mrs. Belle Legg and Mrs. Estes.

School Election

Notices have been posted calling for an election of trustee for the Sonoma Grammar school, the term of Trustee Gottenberg having expired. The polling place will be in the school building on Napa St. Polls open from 1 to 5 p. m. The officers appointed to conduct the election are, H. Appleton, A. T. Skinner and W. O. Hocker. Mrs. F. T. Dohring has announced herself as a candidate for the office, and Dr. A. M. Thomson, at the request of a number of friends, has consented to be a candidate. There may be other candidates before election day.

Business Change

Emilio Zugnoni has sold out his interest in the Roma Hotel at the northwest corner of the plaza, to his partner, G. Ambrosini, who will conduct the business in the future, collecting all outstanding bills due and paying all accounts against the late firm. Mr. Zugnoni has removed to Napa where he will engage in business.

THE PASSION PLAY

Rev. E. Harvey Hadlock, Ph. D., of San Francisco, will deliver his popular illustrated lecture on The Passion Play of Ober-Ammergau, at the Congregational Church, Wednesday evening, April 1st., at 8 o'clock. This lecture will be given under the auspices and for the benefit of the church. It will be a realistic reproduction of the world's greatest religious drama as witnessed by Dr. Hadlock at the last performance in Ober-Ammergau. In preparing this lecture, Dr. Hadlock also visited the homes of the actors in this charming Bavarian village, and secured not only material for the lecture, but photographs from which his excellent stereopticon views are made, and the illustrations of the play are also taken from the negatives secured by Dr. Hadlock during his sojourn in Ober-Ammergau.

In his lecture on the Passion Play, Dr. E. Harvey Hadlock will also give the history of the play, and reproduce the scenes as he witnessed them at the last performance, including especially those events in the life of Christ, which occurred just previous to the crucifixion. The leading actors in these events are Anton Lang, who impersonates Christ; Anna Flunger, the postmaster's daughter, a beautiful girl of nineteen years of age, who takes the part of Mary, mother of Jesus; Peter Rendal, who represents St. Joseph, and Johann Zwick, who acts the part of Judas. The tableaux, and parts by the great chorus, make up the other important casts of the play, and for eight hours the vast audience is held spellbound in the open air theatre.

Eastern Star Event

A large attendance of members greeted the Dist. Dep. Grand Matron, Miss Jessie Leslie, of Windsor, at the meeting of Valley of the Moon Chapter, O. E. S., in Odd Fellows Hall, last Tuesday evening. After the usual ceremonies, a school of instruction was held and the work ably exemplified by the officers of the chapter. Refreshments and a social good time were enjoyed after the business of the session had been concluded.

A New Physician

Dr. Schmelz, a practitioner of many years experience has sold his property in San Francisco and with his family has concluded to locate permanently in Sonoma. He has leased the Dal Poggetto house formerly occupied by DeWitt Montgomery on Second street East, as a residence and office. Dr. Schmelz is an old time friend of Dr. Eastland and comes highly recommended.

CLEWE'S

THE FIRST LETTER A Woman Writes.

THE FIRST LETTER that a sick woman should write or have some one write for her is to Dr. Pierce, of Buffalo, N. Y., asking him if "FAVORITE PRESCRIPTION" is suitable for her case, and he will frankly tell her so if he thinks it is. He may have to ask some questions before he can be sure just what the trouble is. If you are suffering from uric acid, rheumatism, backache, sideache, pain in various parts of the body, especially in the pelvic region, bearing-down, inflammation, ulceration, then Dr. Pierce will advise you to use his "FAVORITE PRESCRIPTION" for he has had a wonderful experience in the use of this remedy. It is not a patent medicine but it is a VERIFIABLE PRESCRIPTION that became his "favorite" when he was engaged in private practice forty years ago and found that it cured more than ninety-nine out of a hundred of all such cases. It is a very natural, agreeable to taste, and best of all, safe for any woman, old or young, to use. It is neither a stimulant nor a narcotic, just a vegetable tonic, and invigorating nerve, composed of the roots of remarkable medicinal virtue in the treatment of this class of diseases, and its record of more than half a million of cures entitles it to full confidence.

The one medicine for the cure of woman's peculiar weaknesses and ailments, the ingredients of which are printed and placed upon every bottle leaving the great Laboratory in Buffalo, N. Y., where it is made, is called Dr. Pierce's Favorite Prescription.

It Stands Alone not only in its ingredients being known, but also as the only specific advertised remedy for woman's diseases which absolutely contains no alcohol.

It Stands Alone as the one medicine for women, the makers of which take their patients fully into their confidence and tell them exactly what they are taking. This Dr. Pierce can afford to do, because his "FAVORITE PRESCRIPTION" is made of such ingredients and after a working formula that has thousands of cures to its credit, placing its merits above criticism.

I suffered with ovarian trouble for many months until I became quite discouraged, as there was scarcely a day when I was not in pain and my health was simply a wreck. I read one of your advertisements and decided that I would try Dr. Pierce's Favorite Prescription, as it seemed to have helped so many who were suffering as I did. I found relief after using two bottles, and a cure in three months—from what I considered was incurable. I am very grateful, and so pleased with my recovery. Life looks different to me now, and I shall always give the credit where it belongs—to Dr. Pierce's Favorite Prescription.

About eighteen months ago I had grown so much worse that I could not digest a crust of corn bread and could not retain anything on my stomach. I lost 25 lbs.; in fact I made up my mind that I could not live but a short time, when a friend of mine recommended Kodol. I consented to try it to please him and I was better in one day. I now weigh more than I ever did in my life and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity will be benefited. RECIPE MIXED OFTEN.

Some remarkable stories are being told about town and among the country people coming in of this simple, home-made mixture curing Rheumatism and Kidney Trouble. Here is the recipe and directions for taking: Mix by shaking well in a bottle one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces Compound Syrup Sarsaparilla. Take as a dose one teaspoonful after meals and at bedtime.

No change need be made in your usual diet, but drink plenty of good water.

This mixture, writes one authority in a leading Philadelphia newspaper, has a peculiar tonic effect upon the kidneys, cleansing the clogged-up pores of the eliminative tissues, forcing the kidneys to sift and strain from the blood the uric acid and other poisonous waste matter, overcoming Rheumatism, Bladder and Urinary Troubles in a short while.

A New York druggist, who has had hundreds of calls for these ingredients since the first announcement in the newspapers last October, stated that the people who once try it "swear by it," especially those who have Kidney and Urinary Trouble and suffer with Rheumatism.

The druggists in this neighborhood say they can supply the ingredients, which are easily mixed at home. There is said to be no better blood-cleansing agent or system tonic known, and certainly none more harmless or simple to use.

Portland potato dealers are broken up over the fact that the 7000-sack battleship order for potatoes was secured by Watsonville and Salinas growers.

New York City's police dogs are being trained according to the usual police methods. They are taught to follow and hold men who are dressed to give the appearance of poverty.
